United States Citizenship and Immigration Service (CIS) regulations require documentation that sufficient financial resources are available to meet a student's prospective educational and living expenses while in the U.S. Therefore, Oklahoma State University requires a guarantee of financial resources from each applicant who expects to obtain or maintain Student (F-1) or Exchange Visitor (J-1) status. Applicants are required to submit financial documentation that equals or exceeds one full year of expenses, for the program of study they are interested in pursuing. Adjustments in the financial certification cannot be made based on a student's individual circumstances. This estimate is based upon 9 semester hours each semester for graduate studies. A Certificate of Eligibility (I-20) or (DS-2019) will not be issued until this information is provided.

Scholarships available to international students at OSU are very limited and students should not rely on scholarship funds to finance their educational costs.

The amounts listed below are estimates that are determined by using the cost figures for 2020. The costs listed below are subject to change without notice. Historically, total costs have increased on an average of 5-10% each year. Students can expect adjustments in the amounts listed on the Certificates of Eligibility (I-20 or DS-2019), which will reflect estimates of the possible increases in the upcoming year.
